

- Since 1997  
A mint of creativity  
to turn ideas  
into action!

“There are three responses to any exhibition booth design - YES, NO & WOW!  
**WOW** is the one we aim for.”

# Who we are

Incorporated in 1997, Radiant Media Solutions Pvt Ltd is a brand built on the ardor to build innovative booth designs for businesses wanting to create an impact on the trade show floor. We are one of the most sought-after firms for design and development of world-class modular display systems and custom fabricated exhibition booths.

Our team is made up of young innovative thinkers who make worldwide international exhibiting easy for our customers who use exhibitions as an integral part of their marketing plan. We are equipped with the latest technical know-how along with cutting-edge resources and we love to conceptualize and deliver unique designs for multiple events with flexibility.

**“An Immersive Ambiance pleases the eyes, and leaves a lasting impression!”**

It's time to give your business the much required edge over your competitors with the help of Radiant, where we focus on every aspect of your brief in our minds to deliver what you exactly need.
